# 21 to 21: DAY 20

Today, end 2020 by writing a love note to yourself.

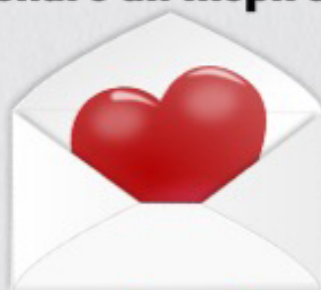

Here is part of mine:

*Dear Sherry – I love and appreciate you for staying safe while being willing to step out of your comfort zone during 2020. I love that you created 21 to 21 to help others have fun 😊*

## SELF APPRECIATION

The power of appreciation is it is one of the highest emotional (vibrational) states possible. Loving, appreciating and valuing yourself is the foundation of your 2021 success.

The more you take care of and nurture yourself physically, mentally, emotionally and spiritually the greater your opportunity to live and share an inspired joyful life.
